

Putting Water Where it Counts![®]

Installation Tools

antelco.com

Installation Tools

Tools to assist in the installation of micro irrigation systems.

Features

- 2 in 1 Punch & Cutter is designed for cutting CVT and LDPE tubing up to 19 mm (21 mm OD) and punching holes into tubing for emitters and fittings.
- 2 in 1 Punch & Cutter comes pre-packaged in ready-to-hang retail pack.
- Socket Driver is an aluminum assembly tool for quick and easy installation of Rotor Rain[®] Plus and Rotor Rain[®] sprinklers into stakes and risers.
- Key Punch[™] creates holes in tubing for inserting emitters. The sleeve assists in installing hexagonal based jets and the hole aids removal of jet caps for cleaning.
