Super Tough “ST” Fittings

Super Tough “ST” Fittings are the latest addition to the Antelco Fittings range. Made tough, these fittings are approximately double the strength of current single-barb polypropylene fittings and provide a better solution for vineyard and other agricultural installations.

Features
- Easily identifiable green colour.
- Tapered entry on all barbed fittings for ease of installation.
- Sizes suit most popular drip line tubing; 17 OD, 20 OD & 22/23 OD drip tubes.
- Models to connect 19 mm LDPE to popular drip line tubing.
- Operating Pressure range up to 300 kPa.
- UV stabilised material for long field life.

Applications
Vineyard and other agricultural applications. Ideal for trellis and suspended irrigation systems.
