

Stake Assemblies

Complete assemblies available for time saving convenience.

Features

- Pre-assembled with Rigid Risers or vinyl tubing for ease of installation.
- Adjustable control with Vari-Jet™ Asta® Stake Assembly.
- Micro Stake has a tube piercing point for hole punch installation of 1/4" Adapters on micro tube and a retainer hole to align and support micro tubing.
- UV stabilized materials for long life.

Applications

Flowers and vegetable gardens and micro spray installations.
