

Drip Mate® Micro Irrigation Kits

The Drip Mate® Kits come complete with instructions and all of the essential micro drip components needed to install an efficient drip irrigation system.

Features

- Kits connect directly to a hose faucet or can be adapted to an existing sprinkler system.
- The Sprinkler Conversion Kit converts an existing 1/2" irrigation riser to drip irrigation.
- Minimal assembly required for maximum efficiency.
- Instructions provided for easy installation.
- UV stabilized materials for long life.

Applications

Home and landscaped gardens, container plants, nurseries and flower beds.
