PotStream®

antelco.com

PotStream® Adjustable Flow

The PotStream® is a patented side mounted watering solution for pot plants and containers. The adjustable gentle stream pattern minimizes soil erosion and the variable flow rate and pattern radius allows for use in various pot sizes.

Features

- Variable flow rate and pattern size suits pot diameter of 8" and upwards.
- Suits pot wall thickness up to 1.6".
- Side mounted installation for neat location of the supply tube.
- Shut-off feature allows easy relocation of pots and containers.
- Low application rate and gentle stream pattern.
- Easily adjustable knob for varying spray patterns.
- Patented design (US Design patent D815,929).
